

Kulturgüter- Schuppen

- [About](#)

About

Kulturgüter-Schuppen is an art space in a former freight railway station run by Uwe Schüler aka elektrouwe

and many "friends of Kulturgüter-Schuppen".

It's a place for experimental art, with a focus on sound , light and DIY art.

Work in progress ! A lot of new content will be published until end of 2023. Stay tuned !

you can contact me (elektrouwe) via [modwiggler](#), [electromusic](#) or [sequencer.de](#) discussion boards
