

About

Kulturgüter-Schuppen is an art space in a former freight railway station run by Uwe Schüler aka elektrouwe

and many "friends of Kulturgüter-Schuppen".

It's a place for experimental art, with a focus on sound , light and DIY art.

Work in progress ! A lot of new content will be published until end of 2023. Stay tuned !

you can contact me (elektrouwe) via modwiggler, electromusic or sequencer.de discussion boards
